FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 14TH JUNE, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 14th of June 1841, is hereby promulgated for general information.

Act No. VII. of 1841.

An Act for a more uniform and an improved process for taking the examination of absent witnesses.

I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examination of absent witnesses in any Presidency, are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company, and the several Judges thereof, in every Civil proceeding depending in such Court, upon the application of any of the parties to such proceeding, to order the examination, upon interrogatories or otherwise, before any Officer of any such Court, or other person or persons named in such order, of any witnesses within the jurisdiction of the Court where the proceeding shall be depending, or to order a Commission to issue to any subordinate Court for the examination of such witnesses upon interrogatories or otherwise, or to order a Commission to issue to any other Court for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise, and by the same or any subsequent order or orders to give all such directions, for taking such examinations as well within the jurisdiction of the Court wherein the proceeding shall be, depending as without as may appear reasonable and just; provided always that any Court to whom any such Commission shall be directed shall take the examination in open Court in all cases where witnesses are able to attend in Court and are not exempted from attendance by law, absolutely, or at the discretion of the Court. Provided also that such Commissions as aforesaid for the examination of witnesses out of such jurisdiction may be directed otherwise than to some Court under special circumstances which may appear to the Court issuing the Commission to render such special direction expedient. Provided also that all Commissions issued and Orders made by any Court of the East India Company, and which are required to be executed within the local limits of any of Her Majesty's Supreme Courts, shall be directed in manner hereinafter mentioned.

III. And it is hereby enacted, that when any Order shall be made for the examination of witnesses within the jurisdiction of the Court wherein any such proceeding as aforesaid shall be depending by the authority of this Act, it shall be lawful for the Court or any Judge thereof in and by the first Order to be made in the matter, or any subsequent order of com-

mand the attendance of any person to be named in such Order, and to direct the attendance of any such person to be at his own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers. And the wilful disobedience to any such Order shall be deemed a contempt of Court and punishable as in other cases of refusing or neglecting to give testimony. Provided always that every person whose attendance shall be required under this Act shall be entitled to the like payment for expenses and loss of time as upon attendance in Court in cases where such expenses are now allowed.

IV. And it is hereby enacted, that it shall be lawful for every Court or person authorized to take the examination of witnesses by any Order or Commission issued in pursuance of this Act, and they are hereby authorized and required to take all such examinations upon oath or affirmation where an affirmation is admissible or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and every person causing or procuring another person to commit the offence of perjury hereby defined shall be guilty of subornation of perjury.

V. And it is hereby enacted, that before any Order or Commission for the examination of any witness under this Act shall be issued the Court or Judge issuing the same shall be satisfied that there is good reason for believing that the witness will be unable to attend at the usual time for examination by reason of absence from the jurisdiction, sickness or other cause allowed by law. And before granting any such Commission, the Court granting the same shall make particular enquiry as to the present residence of the witness whose deposition is to be taken under such Commission, and as to the Court of the same degree as the Court granting such Commission, or of inferior degree to such Court which may be nearest to the place of residence of the witness, and the Commission shall ordinarily be directed to such Court of equal or inferior degree as may most conveniently execute the same. Provided however that if there be doubt as to which is the most convenient Court of equal or inferior jurisdiction, such Commission may be directed to the Judge having jurisdiction within the district within which the Commission is to be executed. And the Judge shall at his discretion execute the Commission in his own Court, or direct it to any subordinate Court within his district, which shall have the same effect for all the purposes of this Act as if the Commission had in the first instance been directed to such subordinate Court. And no deposition taken under this Act, except as hereinafter mentioned, shall be read in evidence without the consent of the party against whom the same may be offered, unless it be proved that the deponent is beyond the jurisdiction of the Court, or dead, or unable from sickness or infirmity to attend to be personally examined, or distant without collusion more than 50 miles from the place where the Court is held, or exempted by law, absolutely or at the discretion of the Court, from personal appearance in Court, or unless the Court shall at its discretion dispense with the proof of any of the above circumstances, or shall authorize the deposition of any witness being read in evidence notwithstanding proof that the causes for taking such deposition have ceased at the time of reading the same; and after the witness shall be produced, and shall have delivered his testimony, it shall be lawful for the Court at its discretion to authorize the reading of the deposition. And all depositions taken under this Act, being duly certified, may be read, at the discretion of the Court, without proof of the signature to such certificate.

VI. And it is hereby enacted, that any Court other than one of Her Majesty's Courts, or any Judge thereof, may issue such Commissions as aforesaid, and such Orders as are indicated in the second and third Sections of this Act to be executed within the local limits of the jurisdiction of any of Her Majesty's Courts, and all such Commissions and Orders except when directed otherwise than to a Court, shall be directed to a Court of Requests having jurisdiction within such limits or any part thereof.

VII. And it is hereby enacted, that such Commissions and Orders as aforesaid may be issued for execution under this Act within the territories of Princes and States in alliance with the East India Company, and all persons within such last mentioned territories being in the service of the East India Company are

hereby required to pay obedience thereto, and for disobedience thereof shall on being found within the jurisdiction of the Court, or Judge issuing any such Commission or Order be punishable in like manner, as if such offence had been committed within such jurisdiction; and for giving false testimony under the same shall be punishable by any Court of Justice within the territories of the East India Company.

VIII. And it is hereby enacted, that whenever the evidence of any absent witness shall be required out of the jurisdiction of the Court in which the proceedings for which the evidence is wanted may be pending and the Commission shall be directed to any Court, such Court may punish the wilful disobedience of any such Order as aforesaid as a contempt notwithstanding it shall not itself have made such order, with the same amount of punishment as in other cases of refusing or neglecting to give testimony.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 14th of June 1841, is hereby promulgated for general information.

ACT No. VII. of 1841.

An Act for a more uniform and an improved process for taking the examination of absent witnesses.

I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examination of absent witnesses in any Presidency, are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company, and the several Judges thereof, in every Civil proceeding depending in such Court, upon the application of any of the parties to such proceeding, to order the examination, upon interrogatories or otherwise, before any Officer of any such Court, or other person or persons named in such order, of any witnesses within the jurisdiction of the Court where the proceeding shall be depending, or to order a Commission to issue to any subordinate Court for the examination of such witnesses upon interrogatories or otherwise, or to order a Commission to issue to any other Court for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise, and by the same or any subsequent order or orders to give all such directions for taking such examinations as well within the jurisdiction of the Court wherein the proceeding shall be depending as without as may appear reasonable and just: provided always that any Court to whom any such Commission shall be directed shall take the examination in open Court in all cases where witnesses are able to attend in Court and are not exempted from attendance by law, absolutely, or at the discretion of the Court. Provided also that such Commissions as aforesaid for the examination of witnesses out of such jurisdiction may be directed otherwise than in some Court under special circumstances which may appear to the Court issuing the Commission to render such special direction expedient. Provided also that all Commissions issued and Orders made by any Court of the East India Company, and which are required to be executed within the local limits of any of Her Majesty's Supreme Courts, shall be directed in manner hereinafter mentioned.

III. And it is hereby enacted, that when any Order shall be made for the examination of witnesses within the jurisdiction of the Court wherein any such proceeding as aforesaid shall be depending by the authority of this Act, it shall be lawful for the Court or any Judge thereof in and by the first Order to be made in the matter, or any subsequent order to command the attendance of any person to be named in such Order, and to direct the attendance of any such person to be at his own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers. And the wilful disobedience to any such Order shall be deemed a contempt of Court and punishable as in other cases of refusing or neglecting to give testimony. Provided always that every person whose attendance shall be required under this Act shall be entitled to the like payment for expenses and loss of time as upon attendance in Court in cases where such expenses are now allowed.

IV. And it is hereby enacted, that it shall be lawful for every Court or person authorized to take the examination of witnesses by any Order or Commission issued in pursuance of this Act, and they are hereby authorized and required to take all such examinations upon oath or affirmation where an affirmation is admissible, or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and every person causing or procuring another person to commit the offence of perjury hereby defined shall be guilty of subornation of perjury.

V. And it is hereby enacted, that before any Order or Commission for the examination of any witness under this Act shall be issued the Court or Judge issuing the same shall be satisfied that there is good reason for believing that the witness will be unable to attend at the usual time for examination by reason of absence from the jurisdiction, sickness or other cause allowed by law. And before granting any such Commission, the Court granting the same shall make particular enquiry as to the present residence of the witness whose deposition is to be taken under such Commission, and as to the Court of the same degree as the Court granting such Commission, or of inferior degree to such Court which may be nearest to the place of residence of the witness, and the Commission shall ordinarily be directed to such Court of equal or inferior degree as may most conveniently execute the same. Provided however that if there be doubt as to which is the most convenient Court of equal or inferior jurisdiction, such Commission may be directed to the Judge having jurisdiction within the district within which the Commission is to be executed. And the Judge shall at his discretion execute the Commission in his own Court, or direct it to any subordinate Court within his district, which shall have the same effect for all the purposes of this Act as if the Commission had in the first instance been directed to such subordinate Court. And no deposition taken under this Act, except as hereinafter mentioned, shall be read in evidence without the consent of the party against whom the same may be offered, unless it be proved that the deponent is beyond the jurisdiction of the Court, or dead, or unable from sickness or infirmity to attend to be personally examined, or distant without collusion more than 50 miles from the place where the Court is held, or exempted by law, absolutely or at the discretion of the Court, from personal appearance in Court, or unless the Court shall at its discretion dispense with the proof of any of the above circumstances, or shall authorize the deposition of any witness being read in evidence notwithstanding proof that the causes for taking such deposition have ceased at the time of reading the same; and after the witness shall be produced, and shall have delivered his testimony, it shall be lawful for the Court at its discretion to authorize the reading of the deposition. And all depositions taken under this Act, being duly certified, may be read, at the discretion of the Court, without proof of the signature to such certificate.

VI. And it is hereby enacted, that any Court other than one of Her Majesty's Courts, or any Judge thereof, may issue such Commissions as aforesaid, and such Orders as are indicated in the second and third Sections of this Act to be executed within the local limits of the jurisdiction of any of Her Majesty's Courts, and all such Commissions and Orders except where directed otherwise than to a Court, shall be directed to a Court of Requests having jurisdiction within such limits or any part thereof.

VII. And it is hereby enacted, that such Commissions and Orders as aforesaid may be issued for execution under this Act within the territories of Princes and States in alliance with the East India Company, and all persons within such last mentioned territories being in the service of the East India Company are hereby required to pay obedience thereto, and for disobedience thereof shall on being found within the jurisdiction of the Court or Judge issuing any such Commission or Order be punishable in like manner, as if such offence had been committed within such jurisdiction; and for giving false testimony under the same shall be punishable by any Court of Justice within the territories of the East India Company.

VIII. And it is hereby enacted, that whenever the evidence of any absent witness shall be required out of the jurisdiction of the Court in which the proceedings for which the evidence is wanted may be pending and the Commission shall be directed to

any Court, such Court may punish the wilful disobedience of any such Order as aforesaid as contempt notwithstanding it shall not itself have made such order, with the same amount of punishment as in other cases of refusing or neglecting to give testimony.

No. 155 of 1841.—His Excellency the Commander in Chief intending to proceed to the Upper Stations of the Army, on the public Service, the Military details will be carried on, during his absence from the Presidency, in the following manner:

Reports and Applications in cases of emergency, when delay may be productive of injury or inconvenience to the Service, or to individuals, are to be forwarded to the Acting Assistant Adjutant General at the Presidency, for the purpose of being submitted to Government, through the prescribed and customary channels; Reports thereof being, at the same time, transmitted to Head Quarters, for the information of the Commander in Chief.

Duplicates of all Monthly Returns of Corps, Detachments, and Departments, are to be regularly transmitted to the Adjutant General's Office at the Presidency, to afford the means for the early preparation of the Returns that are required by the Honorable the Court of Directors.

Applications on Medical Certificate, from Officers, to proceed to Europe, or to Sea, for the recovery of their health, are, in all cases, to be forwarded by the Officers, after their arrival at the Presidency, to the Acting Assistant Adjutant General, who through the Military Secretary to Government, will lay them before the Right Hon'ble the Governor General of India in Council; and Commanding Officers of Stations below Allahabad, being satisfied of such urgency, are authorized to permit the Sick Officers to repair to the Presidency, reporting, on the same day, the circumstances to Head Quarters, that the Officer's absence may be regularly sanctioned in General Orders by the Commander in Chief.

When Officers apply to leave their Station, on Sick Certificate, to proceed to the Presidency, with the view of going to Sea, or to Europe, the necessity of this is to be stated in their Medical Certificate, and distinctly noticed in their applications, forwarded to Head Quarters.

Applications from Officers belonging to other Presidencies, who may be temporarily resident in Bengal are, if the nature of them requires it, to be submitted to Government, through the Acting Assistant Adjutant General, to whom therefore the Officers will address themselves.

Reports and Applications on all other occasions are to be transmitted, as usual, to the Adjutant General of the Army at Head Quarters.

Resolutions of Government which require immediate execution, and the communication of which, in the usual manner, through the Commander in Chief, may be productive of delay, will be transmitted through the Military Department to the Acting Assistant Adjutant General of the Army in the Presidency, by whom they will be forwarded to the Officers whom they may concern, and are to be carried into immediate execution; duplicates of them will, at the same time be forwarded to the Adjutant General of the Army at Head Quarters for the information of the Commander in Chief.

One copy of the General Orders by the Right Hon'ble the Governor General of India in Council will be forwarded direct to the Adjutant General of the Army at Head Quarters, and one Copy furnished to the Acting Assistant Adjutant General at the Presidency.

The Commander in Chief is requested to make such arrangements as he may deem most convenient, for the circulation to the Army of the General Orders issued by Government; and His Excellency will likewise specify the date from which the above regulation is to have effect, and issue such Supplementary Orders for conducting the ordinary duties of the Army as may appear to him necessary.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mail, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not expressly directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d.  CHANCING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchsafed for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

LEGISLATIVE DEPARTMENT,**

Tue 14th June, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 14th of June 1841, is hereby promulgated for general information.

Act No. VII. of 1841.

An Act for a more uniform and an improved process for taking the examination of absent witnesses.

I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examination of absent witnesses in any Presidency, are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company, and the several Judges thereof, in every Civil proceeding depending in such Court, upon the application of any of the parties to such proceeding, to order the examination, upon interrogatories or otherwise, before any Officer of any such Court, or other person or persons named in such order, of any witnesses within the jurisdiction of the Court where the proceeding shall be depending, or to order a Commission to issue to any subordinate Court for the examination of such witnesses upon interrogatories or otherwise, or to order a Commission to issue to any other Court for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise, and by the same or any subsequent order or orders to give all such directions for taking such examinations as well within the jurisdiction of the Court wherein the proceeding shall be depending as without as may appear reasonable and just; provided always that any Court to whom any such Commission shall be directed shall take the examination in open Court in all cases where witnesses are able to attend in Court and are not exempted from attendance by law, absolutely, or at the discretion of the Court. Provided also that such Commissions as aforesaid for the examination of witnesses out of such jurisdiction may be directed otherwise than to some Court under special circumstances which may appear to the Court issuing the Commission to render such special direction expedient. Provided also that all Commissions issued and Orders made by any Court of the East India Company, and which are required to be executed within the local limits of any of Her Majesty's Supreme Courts, shall be directed in manner hereinafter mentioned.

III. And it is hereby enacted, that when any Order shall be made for the examination of witnesses within the jurisdiction of the Court wherein any such proceeding as aforesaid shall be depending, by the authority of this Act, it shall be lawful, for the Court or any Judge thereof in and by the first Order to be made in the matter, or any subsequent order to command the attendance of any person to be named in such Order, and to direct the attendance of any such person to be at his own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers. And the wilful disobedience to any such Order shall be deemed a contempt of Court and punishable as in other cases of refusing or neglecting to give testimony. Provided always that every person whose attendance shall be required under this Act shall be entitled to the like

payment for expenses and loss of time at upon attendance in Court in cases where such expenses are now allowed.

IV. And it is hereby enacted, that it shall be lawful for every Court or person authorized to take the examination of witnesses by any Order or Commission issued in pursuance of this Act, and they are hereby authorized and required to take such examinations upon oath or affirmation where an affirmation is admissible or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and every person causing or procuring another person to commit the offence of perjury hereby defined shall be guilty of subornation of perjury.

V. And it is hereby enacted, that before any Order or Commission for the examination of any witness under this Act shall be issued the Court or Judge issuing the same shall be satisfied that there is good reason for believing that the witness will be unable to attend at the usual time for examination by reason of absence from the jurisdiction, sickness or other cause allowed by law. And before granting any such Commission, the Court granting the same shall make particular enquiry as to the present residence of the witness whose deposition is to be taken under such Commission, and as to the Court of the same degree as the Court granting such Commission, or of inferior degree to such Court which may be nearest to the place of residence of the witness, and the Commission shall ordinarily be directed to such Court of equal or inferior degree as may most conveniently execute the same. Provided however that if there be doubt as to which is the most convenient Court of equal or inferior jurisdiction, such Commission may be directed to the Judge having jurisdiction within the district within which the Commission is to be executed. And the Judge shall at his discretion execute the Commission in his own Court, or direct it to any subordinate Court within his district, which shall have the same effect for all the purposes of this Act as if the Commission had in the first instance been directed to such subordinate Court. And all depositions taken under this Act, being duly certified, may be read, at the discretion of the Court, without proof of the signature to such certificate.

T. H. MADDOCK,
Secy. to the Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 21st JUNE, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 21st of June, 1841, is hereby promulgated for general information.

ACT No. VIII. of 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

I. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff and such third party, usually called a Bill of Interpleader, which is attended with expense and delay;

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim, and maintain or relinquish his claim, and upon such rule or order to hear the allegations as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed to trial on one or more feigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attorneys to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner, shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim, being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be forever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the right or claim of such third party against the Plaintiff; and thereupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a single Judge not sitting in open Court, shall be liable to be reconsidered or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance or in any other stage of the proceedings, he shall think the matter unfit for the decision of the Court, it shall be lawful for him to refer the matter to the Court,

and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise the execution of process against Goods and Chattels issued by or under the authority of the Courts, by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process was issued, whereby Sheriffs and other Officers are exposed to the hazard and expense of actions; and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful for any of the Court from which such process issued, upon application of such Sheriff or other Officer, and before or after the return of such process, and before or after any action brought against such Sheriff or other Officer, to call before them the Plaintiff of Court as well the party issuing such process, the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities heretofore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declaration in such cause if any, be entered of record with a notation in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on any Lands, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, the Agent or Attorney, execution may issue for the same by Fieri Facias, or Capias ad satisfaciendum adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Tote on the day issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more than upon any similar Writ grounded upon a judgment of the Court.

T. H. MADDOCK,
Secy. to the Govt. of India.
